## 2006-07 McKinney-Vento Funded Statistics

The Wisconsin Department of Public Instruction supported twelve (12) local school districts with funding received from the McKinney-Vento Homeless Assistance Act. According to the reports filed by these districts for the 2006-07 school year, 5,736 students enrolled in school were identified as experiencing homeless. Additional statistical information gathered from these reports includes the following:

### Primary Nighttime Residence

At the time of student identification and/or enrollment, information is collected regarding the primary nighttime residence for each student.

- 3,686 - Doubled-up with friends, relatives, or others
- 1,596 - Emergency shelters, transitional housing, awaiting foster care
- 406 - Living in a hotel or motel
- 48 - Unsheltered

### Ethnic Origin

Information is collected regarding the ethnic origin for each student. Ethnic origin is divided into five ethnic categories:

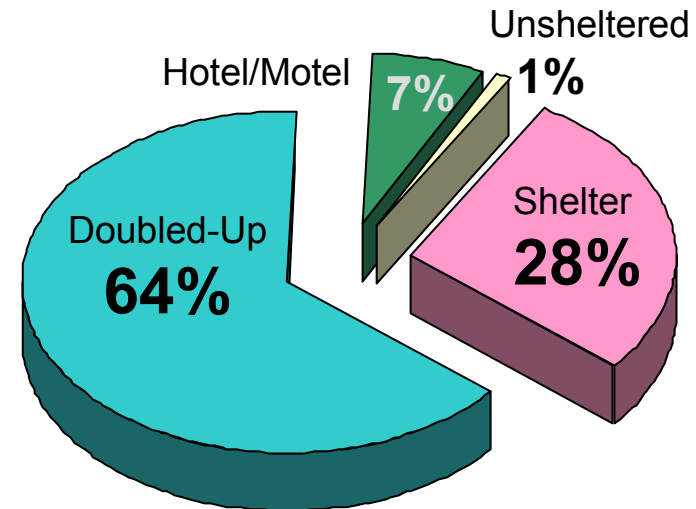

- 162 - American Indian or Native Alaskan
- 118 - Asian or Pacific Islander
- 3,038 - Black, not Hispanic
- 898 - Hispanic
- 1,111 - White, not Hispanic

*\*409 students chose not to classify themselves in one of these categories or the school district did not provide a category for the student.*
